

Ofício/GP Nº 3198/2025

Cuiabá, 03 de outubro de 2025.

A Sua Excelência, a Senhora
Vereadora PAULA PINTO CALIL
Presidente da Câmara Municipal de Cuiabá

Assunto: Convite para integrar comitiva em viagem internacional

Senhora Presidente,

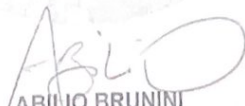

Ao cumprimentá-la cordialmente, e em complemento ao nosso Ofício GP Nº 3092/2025, por meio do qual solicitamos aos dignos Vereadores licença para ausentar-me do território nacional para viagem no período de 25 de outubro a 10 de novembro do corrente ano, venho, por meio deste, formalizar o convite à Vossa Excelência para integrar a comitiva oficial.

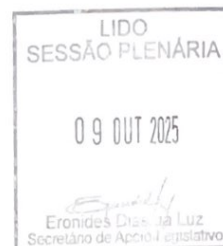

Considerando a relevância dos eventos dos quais participaremos — a **Cúpula das Cidades da Ásia-Pacífico 2025 (2025APCS) & Forum de Prefeitos nos Emirados Árabes e a China International Import Expo (CIIE 2025)** na China — e a importância estratégica das pautas que serão discutidas para o futuro de nossa capital, como inovação, sustentabilidade e atração de novos investimentos, a participação de Vossa Excelência qualifica a representação institucional do Município e evidencia a cooperação entre os Poderes Executivo e Legislativo.

Desta forma, sinto-me honrado em convidá-la a integrar a comitiva oficial que representará nossa cidade nesta importante agenda internacional. Caso haja interesse e disponibilidade, nossa equipe de gabinete está à disposição para prover todas as informações necessárias e auxiliar nos trâmites para a viagem.

Certo de que este convite será recebido com a atenção que o tema merece, renovo meus votos de mais elevada estima e distinta consideração.

Atenciosamente,

EXPO CITY DUBAI

The Honourable Abilio Brunini
Mayor of Cuiaba
Cuiaba, Brazil

14 August 2025

Dear Mayor Brunini

It is my great pleasure to invite you to join us at the 2025 Asia Pacific Cities Summit (2025APCS) & Mayors' Forum, taking place from 27-29 October 2025 at Expo City Dubai.

At a time when cities are driving the global economy, shaping policy innovation and attracting the majority of the world's investment and population growth, city-level engagement has never been more commercially valuable. Cities are not just markets, they are mechanisms for growth, and 2025APCS offers a platform to connect directly with the decision-makers, influencers, and innovators steering the urban agenda across the fastest-growing regions of the world.

Endorsed and adopted by the city of Dubai, this is the only global event this year that offers unparalleled access to the decision-makers behind one of the world's most ambitious city projects. As host, Dubai invites you to learn from, plug into, and contribute to a city renowned for turning vision into reality. Through programme components including the Mayors' Forum, the City Leaders' Forum, the Mayors-Business Forum and the Young Professionals Forum, in addition to immersive city visits, 2025APCS transforms Dubai into a live case study: an Expo of cities, for cities and for all those who depend upon, draw from and contribute to their growth and development.

This is your opportunity to contribute your voice to a global conversation that extends well beyond the Asia Pacific region. This year we welcome participation from city leaders and changemakers across Africa, the Middle East, South Asia, Europe and beyond. Your insights will help shape a shared vision for connected, solutions-led and resilient cities, those that are economically competitive, environmentally responsible, and socially inclusive.

Held under the theme '*Collaborate. Inspire. Transform.*', the Summit will convene around three key subthemes: '*Centres of Connection*', '*Centres of Solutions*', and '*Centres of Resilience*'. As a key city leader, your contribution will be central to inspiring dynamic exchange and advancing actionable outcomes across and between these three pillars.

If you have any questions or if you would like to discuss your participation directly with Expo City Dubai, please contact apcs.invite@expocitydubai.ae.

I would be honoured to welcome you to Dubai – a city of 200 nationalities and a global platform for the ideas shaping our urban future.

Yours sincerely
